Searching

You can find library materials in several different ways. For example:

WORD	nightingale
TITLE	Across the Nightingale Floor
AUTHOR	Hearn, Lian
SUBJECT	Japan, fiction
GENRE	Adventure fiction
SERIES	Tales of the Otori

You can use the MORE Online Catalog to find materials from all MORE libraries, both physical and downloadable items. Any item in the system can be sent to your local library for you, free of charge. You can also limit your search to items owned by just one library, or in a certain format (large print only, for example).

Use **Advanced Search** to customize your search.

Requesting

If you find an item that you would like to check out:

1. Place a request (or hold) for the item
2. You will be added to a waiting list
3. Wait for an e-mail or phone notice to alert you when the item is available

Managing Your Account

When you log into **My Account** using your name and library card number, you will see all of the items you currently have checked out, the status of any items you have on hold, and other information about your library account.

Renewing

You may renew your materials through the MORE Online Catalog. Items may be renewed up to two times unless another patron has placed a request. You may also call 1-866-MYRENEW to renew items over the phone.

Freezing Holds

If you would like to request an item, but want to wait to receive it, you can “freeze” your hold. You will maintain your place in the waiting list, but the item will not be sent to you until you remove the “freeze”.

My Lists

Use the **Add to My Lists** feature to create, name, and save lists of items for future reference. You can access saved lists through your account, and request items from your lists.

My Reading History

If you choose to enable tracking, a list of items you’ve checked out will be stored in your **Reading History**, beginning when you “opt in.”

Preferred Search

When you are logged into **My Account**, you have the option to save your searches. Doing so allows you to perform the same search later, or have the system notify you by e-mail when new items are available that match the search.

Pay Fines Online

Use a MasterCard or Visa to pay fines online. Log in to your account, view your fines, and select **Pay Online**.
