When using an *electronic ballot marking device* ("AutoMARK") to mark an **optical scan** ballot, the voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. When voting for President and Vice President, the voter shall touch the screen at the set of candidates (ticket) for president and vice president for whom he or she intends to vote. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils a **paper or optical scan** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Voting the Ballot

After an official **paper** ballot is marked, it shall be folded so that the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit his or her folded ballot in the proper ballot box or deliver the ballot to an inspector for deposit, and leave the polling place promptly.

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

Acceptable forms of Photo Identification

- A Wisconsin DOT-issued driver license, even if driving privileges are revoked or suspended
- A Wisconsin DOT-issued identification card
- A Wisconsin DOT-issued identification card or driver license without a photo issued under the religious exemption
- Military ID card issued by a U.S. uniformed service
- A U.S. passport
- An identification card issued by a federally recognized Indian tribe in Wisconsin (May be used even if expired before the most recent general election.)

These are acceptable for voting purposes, but must be unexpired

- **NEW: A veteran's photo identification card issued by the Veterans Health Administration of the federal Department of Veterans Affairs**
- A certificate of naturalization that was issued not earlier than two years before the date of an election at which it is presented
- A driving receipt issued by Wisconsin DOT (valid for 45 days)
- An identification card receipt issued by Wisconsin DOT (valid for 45 days)
- A photo identification card issued by a Wisconsin accredited university, college or technical college that contains date of issuance, signature of student, and an expiration date no later than two years after date of issuance. **Also, the university, college or technical college ID must be accompanied by a separate document that proves enrollment.**
- A citation or notice of intent to revoke or suspend a Wisconsin DOT-issued driver license that is dated within 60 days of the date of the election.

Important things you should know

- There is no such thing as a "Wisconsin Voter ID Card." The new Voter Photo ID Law uses existing photo IDs for people to prove their identity before voting.
- The address on your ID doesn't have to be current. And the name on your ID doesn't need to be an exact match for your name in the poll book. (So, Richards who go by Rich, Bobs who are also Roberts and Susans with IDs for Sue can all relax.)

Of course, there are certain requirements. Your ID should look like you. Even if you've colored your hair, shaved your beard or lost some weight, as long as your photo ID reasonably resembles you, it should be accepted.
